

Bishopsteignton Community Allotment Association

Annual General Meeting – March 22nd 2010

Bishop John Inn, Bishopsteignton

Agenda

1. Update on progress
2. Election of committee
3. AOB

Update on progress

The current lack of progress at Michael's Field was discussed. When the committee met with Bishopsteignton Parish Council, and Simon Barnes from Teignbridge District Council in December 2009, we were informed that a planning application for football pitches and allotments would be submitted shortly and that we would be consulted on the allotment aspect of the application. This has not yet happened.

We are therefore still waiting for an application of some sort to be progressed for this site.

Election of committee

John Hockerston, Sarah Lord and Ian Brown stood down as Chair, Secretary and Treasurer respectively, and the following were duly proposed and seconded as committee members:

Chairman – Philip Copestake

Secretary – Ian Roberts

Treasurer – David Viner

Any Other Business

Thanks were given to the outgoing committee members for the effort they have put in to progress the campaign for an allotment site for villagers.

Formalisation of the association, and the introduction of a membership fee was discussed. This will be organised by the new committee.
